OFFICIAL ADVERTISEMENTS.

AUCTION FOR SUPPLY OF RAW MATERIALS AND MISCELLANEOUS ARTICLES FOR THE MANUFACTORY DEPARTMENT, CENTRAL JAIL, BELLARY.

NOTICE is hereby given that the Superintendent will hold an auction at the Central Jail, Bellary, at 3 p.m. on Saturday the 16th March 1929, for the supply of the following articles during the year 1929-30. Intending bidders are requested to be punctual. In the case of suppliers who may be unable to attend the auction, sealed tenders will be accepted, provided they reach the Superintendent on or before the day and hour mentioned above, and are accompanied by the earnest money specified in the schedule. Tenders, which will only be received on printed forms to be had free of cost on application, should be superscribed "Tender for the supply of articles to the Central Jail, Bellary." They will be opened at the time of auction and the offered rates considered along with the bids. The rates should be quoted in pounds and annas per rupee for delivery at the Central Jail, Bellary, the quantities being specified in words as well as in figures. Samples of the articles required can be seen at the auction. Suppliers may bid or tender for all or any one of the articles mentioned in the schedule on depositing the requisite earnest money. All supplies should be up to the samples accepted by them or approved by the Superintendent.

2. Contractors are requested to produce a solvent certificate from the Tahsildars of their taluks before entering the auction room or along with their tenders if sent by post.

3. Successful bidders or tenderers will be required to enter into stamped agreement with the Jail within seven days from the date of receipt of intimation by them that their rates have been accepted. In addition, they should, before signing such agreements, deposit a security of ten per cent

of the total value of the supplies undertaken. (With the approval of the Inspector-General of Prisons, the total amount may be reduced in the case of approved contractors.) Failing compliance within the time specified, the earnest money may be confiscated, and in the event of withdrawal they will also be liable to pay any differences between the prices accepted and those ultimately obtained by the Jail. The earnest money received from successful bidders or tenderers will be taken towards their security deposits and those from others returned at the close of the auction.

4. The Superintendent reserves the right to accept or reject any bid or tender without assigning any reason.

5. Contracts should not be sublet.

6. Any rates accepted and contracts entered into will be subject to confirmation by the Inspector-General of Prisons, Coimbatore, whose decision shall also be final in all questions of infringement.

7. As the quantities given against each article in the schedule are only approximate, contractors will be under an obligation to supply the entire requirements during the period of the contract, plus so much as may be needed to last for a whole month thereafter provided, in respect of the extra quantities, that written orders are given within a fortnight of the termination of the agreement. At the same time, the Superintendent does not bind himself to receive the quantities or numbers noted in the schedule if they are not required.

8. No article is to be supplied to the Jail except on a requisition signed by the Superintendent, or some responsible person authorized by him in writing to do so "by order."

9. No advance of cash will on any account be made to the contractors when giving orders, nor will the Jail pay freight or other charges on consignments to be afterwards deducted from bills, but payment for articles delivered at the Jail on order will be made promptly after they have been inspected and passed. Contractors must agree to receive payment of their bills in whole rupees to which end annas forming part of the sum due on each bill will be disregarded, unless they constitute a fraction equivalent to half rupee or more, when they will be treated as a whole rupee for the purpose of the account.

10. Contractors are required (under a penalty not exceeding Rs. 25) to invariably send with each supply a memorandum or advice note, duly signed, showing the number or quantity tendered for acceptance. Also to sign and return within a week of payment by cheques, cash orders, or remittance transfer receipts, all connected bills forwarded by the Superintendent for the purpose. Questions in connexion with any supposed short payment may be referred to the Superintendent separately, but are not to be made an excuse for delay or refusal to sign.

11. In addition to any difference in prices that may be recovered from contractors on account of purchase rendered necessary elsewhere by failure, neglect, or refusal on their part to supply according to the terms of their agreements, a fine not exceeding Rs. 50 may be levied at the discretion of the Superintendent for each and every such item of default. For repeated infringement of the stipulations of the contract or for other justifiable reasons, he may also annul it, recovering all losses sustainable by the Jail in consequence of the annulment from the security deposited by the contractors or other moneys due to them, and in the event of any residue, by legal measures, if so advised.

12. All wastage found to occur in excess of the respective percentages prescribed in the schedule will have to be made good by the contractors.

13. Further information on any point concerning this notification can be had from the Jail office.

14. When once the rates offered at an auction or by tender have been accepted, lower quotations from others to the Superintendent or to the Inspector-General of Prisons, will not be considered.

Whereas Thirumanjanam for the Rock Fort Temple, Trichinopoly, has from time immemorial been brought from Komuthi Padithurai along Chintamani Bazaar Road and Nagamthaswamy temple via Teppakulam tank to Padiyaval Illaiyar Koil and thence into the temple itself, and whereas the trustee has recently ordered the Thiromanjanam to be taken along a different route (the other way round the Rock) via Andar Street and Sarukkal, the plaintiffs have filed a suit for declaration that the old route is the proper one, and for mandatory injunction ordering the defendants to conform to the old route. They have also filed a petition for permission to sue on behalf of the Hindu population interested in the temple. This petition is posted to 14th March 1929 for orders. Any Hindu interested in the temple may appear in person or by pleader on the said date and state his objections to the petition, if any.
